

Live Auction Items Booklet

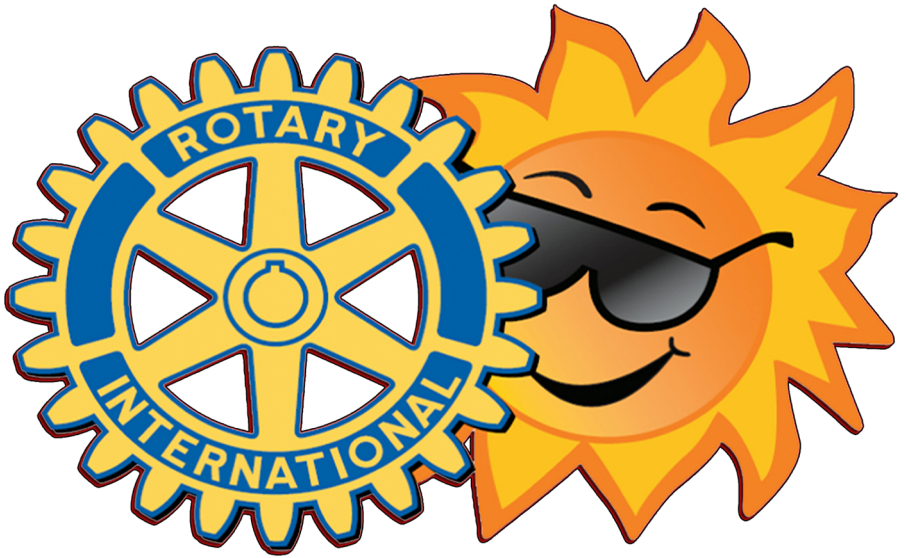

Saturday, September 25th, 2021
Bicentennial Park
Boulder City, Nevada

Silent Auction: 11am-3pm
Live Auction: 4pm-6pm

In the early years of Sunrise Rotary, our club created and began hosting an all-night party for the Boulder City High Schools seniors on the night of their graduation. This event provides a safe, alcohol and drug free setting on a night when many of our youth put themselves and others at risk with their celebration. Today, the all-night party regularly attracts over 90% of our high school graduates.

In 2015, Sunrise Rotary developed a partnership with our Municipal Court Judge Victor Miller, who initiated a program called "Breaking the Cycle Rehabilitation Program". This program has been very successful in helping the participants deal positively with their additions and learn the life skills necessary to function as productive members of the community, free from substance abuse.

Boulder City Sunrise Rotary is very proud of our involvement in both programs as well as many others in our schools and community. Only through the generosity of the Boulder City community and businesses have we been able to achieve such wonderful success. From all of us at Sunrise Rotary, thank you for being here today and supporting our goal of making Boulder City a wonderful community to call home.

***The Boulder City Sunrise
Rotary wishes to thank
everyone who has
participated in this year's
Wurst Festival!***

Live Items
