

## BOULDER CITY BEARS CHEER

Dear Sponsor:

The Boulder City Bears Cheer is a competitive youth cheerleading organization for kids in grades K-5. The organization is a non-profit made up of all volunteers from the Boulder City community. The youth cheer program is designed to teach the fundamentals of cheerleading, citizenship, respect and discipline so the kids are ready to cheer on the Middle and high school cheer squads for Garrett and BCHS.

One of the best ways to promote your business is through support and sponsorship of youth sports in your community. Through sponsorships of youth athletics, you are helping support and provide a service to the children and families in our community. There are many ways to provide support and sponsorships but the most important is financial support. We strive to keep the sign-up cost at a minimum for our families which means very little money is available to operate the non-profit organization. We rely on sponsorships to maintain a competitive and effective youth cheerleading program.

Thank you for your time and we sincerely appreciate your support of our coaches and young players and their success on the field.

---

Thank you for sponsoring the Boulder City Bears. All of the officers, coaches and assistants are volunteers and no one is paid for their donation of time to the program. 100% of all donations/sponsorships are used to provide financial assistance to players and or to purchase equipment for youth in our community who need assistance to participate in cheer.

Please mail this form and make check payable to: **BC BEARS CHEER 808 8TH STREET Boulder City, NV 89005**
